International Advisory Committee

- **Prof. Md Fazley Rafy**, West Virginia University, USA
- **Prof. Turgay Celik**, Centre for Artificial Intelligence Research (CAIR), University of Agder, Norway
- **Prof. Ruppa Thulasiram**, Computer Science, University of Manitoba, Canada
- **Prof. Sanjib Kumar Panda**, National University of Singapore (NUS), Singapore
- **Prof. Lalit Goel**, Nanyang Technological University (NTU), Singapore
- **Prof. Gautam Srivastava**, Department of Mathematics & Computer Science, Brandon University (BU), Manitoba, Canada
- **Prof. Chanchal Roy**, Department of Computer Science, University of Saskatchewan, Canada

National Advisory Committee

- Prof. Aurobinda Routray, Professor, IIT Kharagpur
- Prof. (Dr.) Raja Datta, Ex-Professor, IIT Kharagpur
- Dr. Debi Prasanna Kanungo, CSIR-Central Building Research Institute (CBRI), Roorkee
- Hare Krishna Ratha, Advisor, IEEE Computer Society Bhubaneswar Section
- Dr. R. K. Panigrahi, Professor, IIT Roorkee
- Dr. P. Sumathi, Professor, IIT Roorkee
- Prof. K. P. Ray, Professor of Practice, IIT Gandhinagar
- Prof. Padmalochan Bera, IIT Bhubaneswar
- Prof. Manoj Tripathy, Indian Institute of Technology Roorkee
- Dr. Anurag Singh, IIIT, Naya Raipur
- Dr. Debanjan Das, IITKGP
- Dr. Dipankar De, IIT Bhubaneswar
- Dr. Siba Shankar Padhy, IIIT Darward
- Dr. Chandrasekhar Perumalla, IIT Bhubaneswar

ADDITIONAL ACTIVITIES

- Hands-on workshops (AI imaging, edge computing, etc.)
- Poster presentations and competitions
- Networking sessions

Transport

Bhubaneswar is well connected by air, rail, and road to major cities across India. Biju Patnaik International Airport offers direct flights to New Delhi, Kolkata, Mumbai, Hyderabad, Bengaluru, and Chennai. The city is also the headquarters of the East Coast Railway, ensuring strong rail connectivity.

Odisha University of Technology and Research (OUTR) is centrally located near Khandagiri Square, a well-known landmark in the city.

Accommodation

Bhubaneswar offers a wide range of accommodation options to suit all budgets, including luxury hotels, business hotels, guest houses, and budget lodges. Popular choices include Mayfair Lagoon, Trident Bhubaneswar, The Crown Bhubaneswar, and Ginger Bhubaneswar, along with several affordable options near the conference venue.

Food

Working Lunch and High Tea will be provided throughout the event.

- Submission Opens: **15 July 2026**
- Submission Deadline: **15 September 2026**
- Acceptance Notification: **15 November 2026**
- Camera-ready Submission: **15 February 2027**
- Conference Dates: **1–3 July 2027**

ICIMSP 2027

ICIMSP 2027 is a premier international forum for researchers, academicians, industry experts, and students to present and discuss advancements in intelligent systems, machine learning, signal processing, embedded technologies, and related interdisciplinary domains.

The conference fosters innovation and collaboration through keynote talks, technical sessions, industry panels, and networking opportunities, addressing emerging challenges and future research directions.

ODISHA UNIVERSITY OF TECHNOLOGY AND RESEARCH

Odisha University of Technology and Research (OUTR), established in 2021 by upgrading the College of Engineering & Technology, Bhubaneswar through the OUTR Act, 2021. It is a leading state government institution committed to excellence in technical education, research, and innovation, serving as a hub for advanced technological development.

CALL FOR PAPERS

ICIMSP 2027 focuses on innovation at the intersection of intelligent machines, autonomous systems, and advanced signal & image processing.

Intelligent Machines & Autonomous Systems

- Robotics, Mechatronics, Autonomous Vehicles
- Intelligent Control & Human–Robot Interaction
- AI for Autonomous Decision-Making

Computer Vision & Image Understanding

- DL for Computer Vision/Scene Understanding
- 3D/X-ray/Thermal Imaging

Advanced Signal & Multimedia Processing

- Super-Resolution/Image Restoration
- Video Analytics & Pattern Recognition

Biometrics & Perception

- Face/Iris/Emotion/Gesture Recognition
- Visual Surveillance/Explainable AI

AI-driven Imaging & Applications

- Medical Imaging, Remote Sensing, Vehicle Motion
- Quantum/Edge/Embedded Computer Vision

Intelligent Communication & Networks

- Wireless, 5G/6G, IoT, SDN, Security

Computational Intelligence & Embedded AI

- DL Architectures, RL, VLSI for AI, Smart Sensors
- Edge Computing/Visual Sensor Hardware

Cyber-Physical Systems & Industry 4.0

- IIoT, Smart Manufacturing, Digital Twins, Blockchain

PROCEEDINGS & INDEXING

All the accepted and presented papers will be submitted for publication with Springer in Communications in Computer and Information Science (Subjected to Final Approval). Conference Proceedings will be abstracted and indexed in DBLP, Google Scholar, EI-Compendex, Mathematical Reviews and ISI Proceedings.
